December 2021

Dear Parishioner,

Beginning January 1, 2022, the parish offering envelopes you receive will have a new look. You will begin receiving your 2022 offertory envelopes on a bimonthly basis instead of a yearly boxed set.

We have chosen this offering envelope program for the following reasons:

- We will be able to add new parishioners, remove parishioners, and make name or address corrections much more quickly and easily.
- Often some parishioners have lost or misplaced their box of envelopes and have not notified the Ministry Center to obtain a replacement set. With this program, a new set will automatically arrive every two months allowing parishioners to contribute their gifts.
- Parishioners who use our Online Giving Program will receive a set of the special second collection envelopes.
- While we may not use this option each time, our parish will be able to include letters and other items to the bimonthly mailing providing another method of keeping in touch with you. Communication between a parish and its parishioners is important, and we are always looking for new and affordable ways to keep in touch with you.

If you have any questions regarding this new program or encounter a problem with your envelopes when you receive them, please call the Ministry Center at 209-472-2150.

Thank you for your continuing generosity to Church of the Presentation of the Blessed Virgin Mary. Because of your time, talent and treasure to our parish, we are able to minister to so many people every year. Together, we are most certainly the Body of Christ! Also, know I keep you and your family in my prayers as we begin the New Year.

In Christ,

Fr. Mark Wagner, Pastor
