Learn how to protect children from Human Trafficking!

The Horrifying Reality

- U.S. Human Trafficking is a **\$9.8B industry**
- **100,000 U.S. children** are exploited each year
- Average age of 1st time victims is 12-14 years
- In 2017, California had 15% of all reported cases
- Victims come from all walks of life!

Suzanne Schultz, S.J. County Family Justice Center Program Director, will present:

“Human Trafficking—Is Your Soul for Sale?”

Her presentation is a comprehensive look, based on her 30 years of experience at the District Attorney’s Office, at the dark world of the human sex trafficking industry in our community.

You will learn:

- How to recognize the signs of human trafficking
- What to do if you suspect your child or student is a victim
- How Social Media and Phone Apps are used to target our children
